1: RED DEVILS

ANTHONY DANIELS GUEST-STARTS IN THE FIRST IN AN EXCITING NEW SERIES OF FULL-CAST AUDIO DRAMAS FROM NOISE MONSTER PRODUCTIONS

Destination Mars!

In 1889, the ether ship Perbindesh approaches the red planet, her passengers an assembly of the great and the good. Skerrun, a Martian princeling, returning from a sojourn on Earth; Sir Henry Routledge, the new governor of the British colony. Professor Golightly, a renowned authority on the red planet. But everyone has a secret. The Perbindesh carries a cargo of conspiracy and intrigue. And not all aboard will live to see Mars...

The game's afoot, and it is the greatest game of all!

*Everything Jules Verne should have written.
Everything H.G. Wells could have written.
Everything Arthur Conan Doyle thought of, but never published
– because it was too fantastic.*
